

Practical Compliance Officer Fundamentals

Financial Education Professionals presents a series of practical workshops specifically designed for financial services compliance professionals in Australia. Courses are for compliance professionals, within the context of Australian financial regulations.

The first of these is the Practical Compliance Officer Fundamentals. This course provides a practical introduction to the role and functions of a Compliance Officer in the Australian financial services industry.

The course is specifically designed for:

- Compliance professionals with less than 3 years experience in a financial services compliance role.
- Individuals in smaller financial services companies who bear compliance responsibilities, such as the COO, the Company Secretary, or the Legal Officer.

Benefits

- ✓ Training conducted by an experienced compliance practitioner
- ✓ Learn through practical workshop exercises
- ✓ Come away with a series of checklists and sample documents you can use to improve the effectiveness of your compliance officer role
- ✓ Benchmark against financial services industry good practice
- ✓ Cost effective
- ✓ Share your experiences with other compliance professionals.

Course format

This course is conducted as three (3) face-to-face workshops each of 3 hours, including practical exercises and checklists for on-the-job application.

Content

The Australian Financial Services licence, authorisations, AFSL requirements, conflict of interest, training, compliance, risk management, Responsible Managers, breaches, retail requirements, the Compliance Standard AS3806, governance, compliance processes, range of compliance requirements, compliance policies, dealing with regulators, compliance culture and developing 'good practice'.

2010 Fee

\$1,045 (+ GST) per person; which includes workshops, course materials, case studies and practical checklists.
